

**Agenda**  
**City of Twinsburg**  
**Comprehensive Plan Update Committee Meeting**  
**Meeting held via Zoom**  
**March 10, 2021 - 6:00 pm**

This second meeting of the Twinsburg Comprehensive Plan Committee will provide an explanation and over-view of “Sustainability Practices.” For this purpose we will provide descriptions of efforts that can be taken to address environmentally conscious operations at the City government level. We will also provide a summary list of prior actions and practices performed in an attempt to conserve energy, reduce operational costs, reduce wastes and reduce our carbon footprint.

Please refer to the “ILG Sustainability Best Practices Framework” document that was emailed to all committee members on February 3<sup>rd</sup>. This document will provide the general outline for the following discussions:

**Part 1 – Overview of Sustainability**

- Energy Efficiency and Conservation
- Water & Wastewater Systems
- Green Building
- Waste Reduction & Recycling
- Climate-Friendly Purchasing
- Renewable Energy and Low Carbon Fuels
- Efficient Transportation
- Land Use
- Open Space and Offsetting Carbon Emissions
- Community and Individual Action

**Part 2 – Prior City Efforts Addressing Sustainability Practices**
