

CITY OF TWINSBURG'S DRIVE-UP

RAIN BARREL WORKSHOP

Complete Rain Barrel = \$50 w/ a white 55-gal barrel, downspout diverter, and spigot. Barrel can be painted.

Connection System Only = \$25 w/ a white 55-gal barrel and connection.

Participants will receive a video and written instructions on how to connect and set up your rain barrel. On pick-up day, TWCP staff and Summit Soil & Water Conservation District staff will be available to load the rain barrels and kits into cars and answer any questions on how to put together rain barrel.

MAY 11TH, 2021 | 4:30 - 6 PM
